Internet Policy

This form must be signed before students can access the internet in the computer or multi media labs.

Parent/Students

Our family will abide by the school internet policies. We understand that this access is designed for educational purposes. We are aware that it is impossible for the school to restrict access to all controversial materials and we will not hold them responsible for materials and we will not hold them responsible for materials acquired in use. Further, we accept full responsibility for supervision if and when our child(ren) use of school's technology resources is not in a school setting. We hereby give permission for our child(ren) to use the school's technology resources and certify that I have reviewed the acceptable use policy with our child(ren).
